

BETA THETA PI

Founded in 1839 at Miami University, Oxford, Ohio. The local chapter, Gamma Phi, was established in 1907 on the campus.

Founded August 8, 1839, by John Reily Knox, Beta Theta Pi was the first fraternity to originate west of the Allegheny mountains. In addition to this it is the oldest member of the Miami Triad and is celebrated as the first national fraternity to achieve a solid one hundred years of progressive activity. At the present time there are ninety chapters of the fraternity throughout the United States.

The local chapter, Gamma Phi, was instituted in 1907 and the national board of trustees voted it a recognition for "sustained excellence" as one of the most outstanding chapters of the fraternity.

Beta Theta Pi has permanent possession of the University Interfraternity Council scholarship cup which it was awarded in 1938 for winning the award three years in succession.

Alumni representatives of Beta Theta Pi are: John F. Sharp and A. N. Murphey. Walter W. Kraft is faculty advisor. The chapter is inactive for the duration.

This page is dedicated to those of the chapter who are fighting with all services of the United States forces.
