Betas First Again in Sports, Second in Grade Rankings

House expansion and improvements, intramurals and scholarship have been the outstanding features of Beta Theta Pi as it spanned its fifty-sixth year on the OU campus in 1963. They have won first place in 15 of the last 19 scholarship semesters.

The Betas set the record for most intramural points ever at OU in 1961 and broke that all-time OU peak in 1962. This year they won the B football title and Richard Moore was one of eight Greeks named to the "All-Star" grid team, first ever picked at OU.

The Beta Barn had its top two floors and all rooms redecorated this past year and hope to have a new wing and kitchen within a year.

Top Betas on campus include Haskell Waddle, chapter prexy, president of OU's IFC, ODK, BMOC; Jack Kinnebrew, vice-president of Pe-et, ODK, BMOC, and Don Smith, director of Sooner Scandals and treasurer of the Senior Class.

The annual Beta Barn Dance seems to be treating Rusty Binford, Carol Ellison, Joe Rockett and Mary Montgomery to a good time.
